

HBA of Greater Springfield Membership Application

With more than 50 years of proven association service, the Home Builders Association of Springfield is dedicated to promoting and protecting the Greater Springfield Area's housing industry.

The HBA offers a multitude of services and benefits to all its members on the national, state, and local levels. Membership is available in Builder, Remodeler, and Associate categories, and is further tailored to each member's specific needs through council, committee, and event participation.

With more than 400 association member companies, we are a noticeable force in the Greater Springfield home building industry. Membership allows you to meet industry peers, stay informed of issues crucial to your business, gain a competitive edge and get involved in your community. By becoming a member of the HBA, you allow yourself access to the heart of your profession.

People recognize your company as a leader in the industry when you join the Home Builders Association of Greater Springfield. As a member, you pledge to your customers, peers, and staff that you and your services are highly qualified and adhere to the enhanced standards of professionalism.

DIRECTIONS

1. Please complete all applicable sections of the application for your company. **NOTE:** *The application is two pages, front and back.*
2. Return the application with dues payment, and **proof of insurance** to the HBA.
3. Your company is more than welcome to attend any HBA events and meetings as soon as you turn in your application, however, your company's membership is not effective until approval is granted by the HBA Board of Directors.
4. You will receive your Member Welcome Packet at our *mandatory* New Member Orientation. You have one year from the date your application is accepted to attend at least one New Member Orientation, offered four times a year for your convenience. Check your HBA newsletter (*Housing News*) for more information, or call the HBA office.
