## Code Changes 2012 International Building Codes & 2012 International Residential Code

The Southwest Missouri Code Officials chapter of the International Code Council is pleased to offer this educational seminar. SMCO wishes to invite all interested parties to join us. Registration fees include handouts, and certificates of completion citing .8 CEUs (Design Professionals must self report). This affordable training is made possible with ICC support and participation sponsors.

### Course Description:

#### “Major Changes from the 2006 IRC and IBC to the 2012 Codes”

This full day seminar will highlight the major code changes from the 2006 International Building Code and the 2006 International Residential Code to the 2012 code edition.

1. Identify the most significant differences between the 2006, 2009, and the 2012 IBC & IRC.
2. Explain the differences between the current and previous editions.
3. Identify changes in organization and code requirements.
4. Identify the applicability of design, plan review, and inspection requirements.
