

**Subject: Eleventh Annual MSU Construction Club Golf Tournament
Friday, May 11th, 2012 Hidden Valley Golf Links, Clever, MO**

As you may have heard we are planning our eleventh annual golf tournament. The purpose of this event is to help raise money for our club. In addition, we feel it is a good way to promote interaction between the Construction Club and the construction industry. This tournament will provide an excellent opportunity for those in the industry to meet some of the Construction Management students and faculty at Missouri State and discuss what is taking place in our program.

Some of the proceeds from this tournament will be used to support participation in national/regional competitions:

- Associate Schools of Construction (ASC) Competition
- NAHB Residential Construction Management Competition
- Associated Builders & Contractors (ABC) Competition
- American Concrete Institute (ACI) Concrete Construction Competition

In addition, the money raised also provides funds for student scholarships and community service activities for the club.

- Construction Club Scholarship
- Adopt-a-Street Cleanup
- Fashion Show Stage Build
- Other Local Philanthropies

We would appreciate your support in any manner possible. Whether you become a hole sponsor, enter a team(s), or donate an item to help benefit the tournament - your participation is greatly appreciated.

The tournament is open to all those working in any area of the construction industry. Please invite employees, customers, or anyone else you feel appropriate.

For any additional information, please contact Christopher Lucas

- Email: Lucas07@live.missouristate.edu
- Phone: (314) 853-0093

We appreciate your help and hope to see you on Friday, May 11th.

Christopher Lucas
