

2013 Salute to Construction Banquet Table Sponsorships Available

*The Salute Council is pleased to offer you the opportunity to “salute” our industry and your business to an audience of 400 construction-minded guests by being a table sponsor at the 2013 Salute to Construction Banquet on **Thursday, November 7.***

For a **\$49 donation** you can decorate a table to promote your business.

This includes placement of promotional items, brochures, business cards, flyers, etc. about your business – be creative! You provide all decorations for your table within a 14x14x14 space. Freebies for everyone at your table are always welcome. Table sponsors will be recognized in the banquet program and on the video screen during the event.

The “People’s Choice” for the best decorated table will be decided by vote at the banquet. All banquet attendees will participate in the voting. The winner gets bragging rights and a free sponsorship at the 2012 Banquet. **DeLong Plumbing**, a perennial favorite was a repeat winner last year.

Please contact Sheryl at 862-1313 or sherylletterman@gmail.com to reserve your sponsorship or for more information.

Deadline to sponsor: October 11, 2013

Table sponsors help us keep the ticket prices low for all attendees. Sponsoring a table does not reserve a table for you and your associates. The idea is that other attendees will sit at the table you sponsor, thereby providing your business exposure to prospective customers and clients.

Reserve your table now. Further details and instructions will be furnished to those companies signing up for sponsorship

*Mark your calendar now:
